Bill Number and Year	Action Item Description
<p>HB 1475 (2009) – Requiring state agency rule-making information to be posted on each state agency’s web site By Rep Orcutt</p> <p>Lead Contact: Jack Zeigler (902-0970)</p>	<p>State agencies must maintain a website containing the agency’s rulemaking information, including the complete text of proposed rules, emergency rules, and permanent rules proposed or adopted within the past 12 months. A direct link to the rulemaking page must be displayed on the agency’s homepage. An agency’s rulemaking website may contain a direct link to the index page on the Register website that includes the agency’s rulemaking activity.</p> <p>The website must include the time, date, and place for the required hearing of a proposed rule and procedures and timelines for submitting written comments and supporting data.</p> <p>No report required.</p>
<p>SSHB 1481 (2009) – Electric Vehicles By Rep Eddy</p> <p>Lead Contacts: David Boyle (902-7217) Bryan Bazard (438-8237)</p>	<p>Sec 7: By 12/1/2013, GA, in consultation with CTED, must report to the governor and legislature on the state’s progress toward meeting the goals of:</p> <ul style="list-style-type: none"> • 40% fuel usage from electricity and/or biofuel for state agency vehicles, vessels and equipment by 6/1/2013. • 100% fuel usage from electricity and/or biofuel for state agency vehicles, vessels and equipment by 6/1/2015 (as required by current statute) – HB 1303 (2007). <p>CTED has authority to determine by rule the practicability of these goals.</p> <p>Sec 7: State agencies are directed to install electric vehicle charging infrastructure in state fleet parking and maintenance facilities by 12/31/2015, to the extent practicable.</p>
<p>SHB 2287 (2009) – Recycled paper content By Rep Kessler</p> <p>Lead Contacts: Doug Coleman (586-0356) work with DIS and PRT re: high speed equipment</p> <p>Ron Major (902-7197) – paper conservation</p> <p>Keith Farley (902-7423) - purchase of 100% recycled content paper.</p>	<p>By 12/31/09, all state agencies shall purchase 100% recycled white cut bond paper used in office printers and copiers (to the degree practicable), giving preference to companies that generate energy from a renewable energy source.</p> <p>By 7/1/2010, each agency is directed to develop and implement a paper conservation program with the goal to conserve paper by 30% of current use. Buildings with more than 25 employees shall develop a paper recycling program to encourage the recycling of all paper products.</p> <p>No Report Required</p>
<p>ESSB 5352 (2009) Transportation Budget by Sen Haugen</p> <p>Lead Contacts: Steve Krueger (902-7233) Bob Paulson (902-7436)</p>	<p>Section 716 directs the Washington State Ferries system to use a minimum of five percent biodiesel within its total volume of all diesel purchases so long as the per gallon price does not exceed the per gallon price of diesel by more than five percent. By December 1, 2009 GA shall report to the Legislature on the average true price differential for biodiesel by blend and location, and examine alternative fuel procurement methods that work to address potential market barriers for in-state biodiesel producers.</p>

Bill Number and Year	Action Item Description
<p>ESSB 5560 (2009) State agency climate leadership By Sen Ranker (Updates HB 2815 -2008)</p> <p>Lead Contacts: Bryan Bazard (438-8237)</p> <p>Ron Major (902-7197)</p> <p>Gerry Gadberry (902-0950)</p>	<p>Motor Pool is required to work with parties to develop strategies to reduce fuel consumption and emissions from motor pool fleets. Minimum fuel efficiency standard of 36 mpg is directed to be phased in by 2015.</p> <p>State agencies are required to report annually on the progress to meet the goals of achieving increased mpg and reduced emissions in non-passenger and non-light duty vans and SUBs by 12-1-2012</p> <p>Current statute set goals for reducing greenhouse emissions based upon 1990 levels. SSB 5560 establishes incremental targets based upon 2005 levels and sets reporting deadlines.</p> <p>The Governor’s veto message directs GA to examine landscaping policies on the Capitol Campus and develop and implement a plan that will reduce the carbon footprint of landscaping with the 2009-11 biennium, including a pilot project to showcase methods for “green landscaping” of the Capitol Campus.</p>
<p>SSB 5723 (2009) – Support for Small Business Assistance By Sen Kastama</p> <p>Lead Contact: Servando Patlan (902-7449)</p>	<p>GA must develop procurement policies and procedures that encourage and facilitate the purchase of products and services by state agencies and institutions from WA small businesses to the maximum extent practicable and consistent with international trade agreement commitment. Policy change(s) requires a stakeholder process and would have a fiscal impact.</p> <p>By 12-1-09, a written progress report is due to the legislature and Governor. (Requires GA to convene a working group with OFM, DIS, and Public Printer to develop common policies and procedures that encourage agencies to purchase goods and services from WA small businesses.)</p>
<p>E2SSB 5854 (2009) – Climate Pollution Reduction—Energy Efficiency By Senator Kilmer (Also updates HB 2815 (2008))</p> <p>Lead Contacts: Doug Kilpatrick (902-7179) Stu Simpson (902-7199) Michael Van Gelder (902-7381) Ann Sweeney (902-7437) Chris Gizzi (902-7341)</p>	<p>Section 8 directs GA and qualifying agencies to establish, perform, and report energy benchmarking and to complete lease transactions based upon a national energy performance rating score of 75 or above. Since the 2009-11 budget did not provide appropriations to support the requirements of this section, only certain provisions can be addressed in the current biennium.</p> <p>The energy Office will establish the Portfolio Manager master account and, to the extent possible, collect data from qualifying state agencies. A RES/Energy Office/ Real Estate Planning work group will be established within GA to align energy data collection between state-owned and leased facilities and develop a plan for addressing energy performance requirements for leased buildings.</p>
